

WReSTT Instructor Follow-up Survey

Welcome! As a previous attendee of our Workshop on Integrating Software Testing into Programming Courses (WISTPC), we would like to get some information from you regarding your subsequent use of Software Testing in your courses, as well as your use of or potential planned use of Web-based Repository of Software Testing Tutorials (WReSTT). We will be using the information that you provide to gain a better understanding of the longer-term impact of attendance of our workshop, as well as subsequent use of WReSTT. We will also be using your feedback to help improve WReSTT and our outreach efforts in providing a useful tool for incorporating software testing into relevant courses such as programming. Please be assured that all data will be analyzed in aggregate.

Please provide us with some basic information about you

1. College or University Affiliation
2. What is your job Title?
3. Please indicate the year that you attended our workshop
 - a. 2010
